

K1-5

Bench scale

Features

- Built in rechargeable battery
- Strong iron construction
- High quality stainless steel plate
- Built with fence (optional)
- Accumulating function
- Auto power saving mode and auto off function
- Selectable weighing capacity and precision
- Suitable for industrial environment
- Overload protection load cell
- High bright red LED double display
- Built in RS-232 communication
- Accurate and super stability
- Easy to calibrate
- 100% quality guarantee load cell and indicator
