

# MK-E1005

## Floor Scale

### Features:

- Improve profitability: Floor scale MK-E1005 gives you the tools to improve profitability and efficiency in many weight-based processes across the food, logistics, mining, waste, metals and engineering industries.
- Accurate results – every time: Results are un mistake able in any conditions. The red LED display also guarantees simpler, more accurate check weighing.
- E1005 addresses most weighing needs. The serial port allows connectivity to PCs, printers, external display and other serial devices.
- Unbeatable value for money: Economical to own and operate, it provides features and functionality beyond what you'd expect of an entry-level indicator.
- Fast and simple to use: Floor scale MK-E1005 offers maximum ease of use.
- Configurable trips: Three configurable weight-based trips give you the flexibility to carry out many basic process control routines.
- Range of built-in functions: You can use the indicator to manage a wide range of tasks including piece weighing, check weighing, counting, totalising and peak hold measurement, also for HI ok Low function.
- Less downtime – lower costs: Floor scale MK-E1005 allows rapid installation and configuration, customize weighing unit, easy for conversion the weighing unit.
- High Quality Load Cell with overload protection
- Rechargeable battery in this indicator is useful for use anywhere and anytime without need to replace the battery all the time.
- With stainless steel pole
- Optional:
  - > Isolated 4-20mA Analog Current Output
  - > 2/4 set point
  - > Clock function
  - > Modbus data output
  - > Chequered plate

### Specifications:

Platform size (mm)	Capacity (kg)	Readability (kg)
1000 x 1000	1000	0.2
1200 x 1200	2000	0.5
1500 x 1500	2000	0.5
1500 x 1500	3000	1
1500 x 1500	5000	1
1500 x 2000	3000	1
1500 x 2000	5000	1
2000 x 2000	3000	1
2000 x 2000	5000	2
2000 x 3000	3000	1
2000 x 3000	5000	2
