

CI-2001AS Water Proof Bench scale

Features

- High resolution small-size indicator
- 4 wire A/D conversion part application
- Weight Back-Up
(Saving of weight at sudden power failure)
- RS-232C interface
- Waterproof design (IP65)
- CI-2001AS (LED), CI-2001BS (LCD)

Option

- RS-442/485 interface

Specifications

Model	CI-2001AS								
Max. capacity (kg)	30	60	75	100	150	200	150	300	500
Readability (g)	5	10	10	10	20	20	50	50	100
Sign for status	STABLE, ZERO, TARE, G/N, BAT, HOLD, COM, kg/lb, UNDER, OK, OVER								
Display type	7-Segment 6 digit LED (13W x 20H) / LED bar for weight comparison								
Operating temperature	-10°C ~ +40°C								
Power	DC 12V 1.5A adapter/6V 5A Pb Rechargeable battery								
Key	10 Numeric keys & 5 function keys								
Battery life	Approx 30 Hours								
Battery charging time	Approx 12 Hours								
Platter size (mm)	300x400			400 x 500			500 x 600		
Dimensions (mm)	500(L) x 300(W) x 665(H)			610(L) x 400(W) x 910(H)			780(L) x 500(W) x 1050(H)		
Product weight (kg)	8			12			19.5
